

# WCCC Annual Program Summary 2021

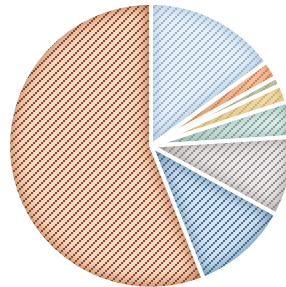

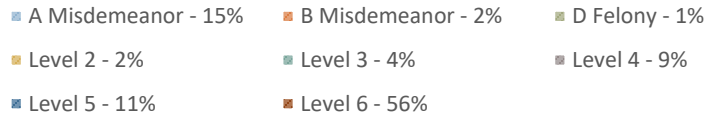

## Residential Work Release

WCWR has had 158 individual intakes this year, including 3 CTP referrals. The highest ADP was in September with 72.60.

**2021 ADP = 59.07**  
*Jail Sentence – 56.96*  
*Pretrial – 2.11*

## INTAKES BY OFFENSE

The goal of successful completion or modification of a sentence is often met upon exit, however, terminations occur for various reasons. There were 143 exits recorded with the following completion status:

Successful completions	91 (64%)
Termination for conduct	15 (10%)
Modification of sentence	9 ( 6%)
Termination for positive UA	7 ( 5%)
Self-termination	6 ( 4%)
Escape / Abscond	4 ( 3%)
Other (employment terminated, warrant, furlough, medical)	11 ( 8%)

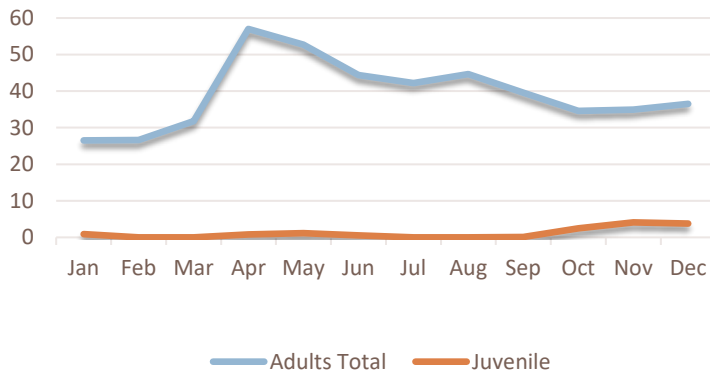

Whitley County Community Corrections and Probation define recidivism as any new conviction within five years of the participant / offender being released from any level of court supervision. The Residential Work Release six-month rate is 6%; the 30-month recidivism rate for all community-based supervision programs, including probation, is 21%.

## Home Detention

HD had **65 intakes** this year with 41 (63%) being sentenced in Whitley County. 12 (18%) were courtesy supervision from other counties and 2 (3%) were pretrial supervision. A total of 7 adult cases were transferred out of county for HD supervision.

A total of 8 (15%) juveniles were supervised in 10 cases this year.

## Veterans Treatment Court

12

3

1

6

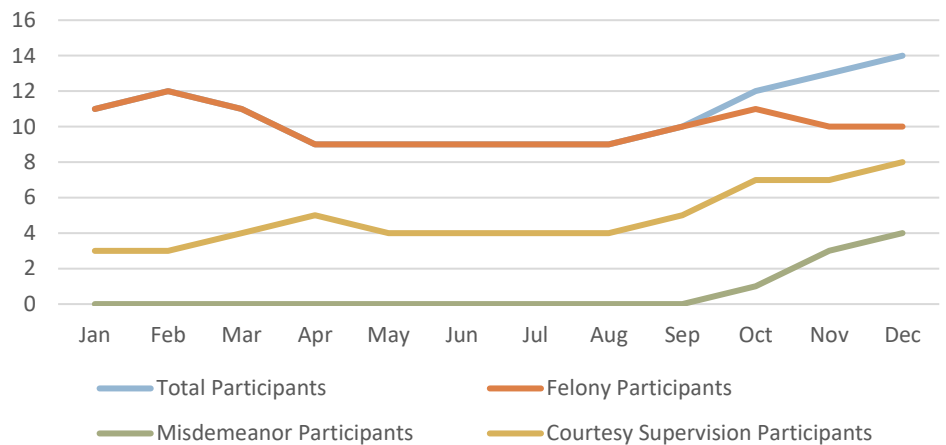

1

A total of 23 Veterans participated in Veterans Treatment Court this year with **6 graduating** from the program.

Oftentimes Veterans request information for the program and do not request screening. This year 34 Veterans requested information, however only 10 requested screening; all were found eligible for the program. Veterans Treatment Court has Memorandums of Understanding with Huntington and Kosciusko Counties. Nine Veterans were provided services through courtesy supervision this year, and three were transferred to other counties for supervision.

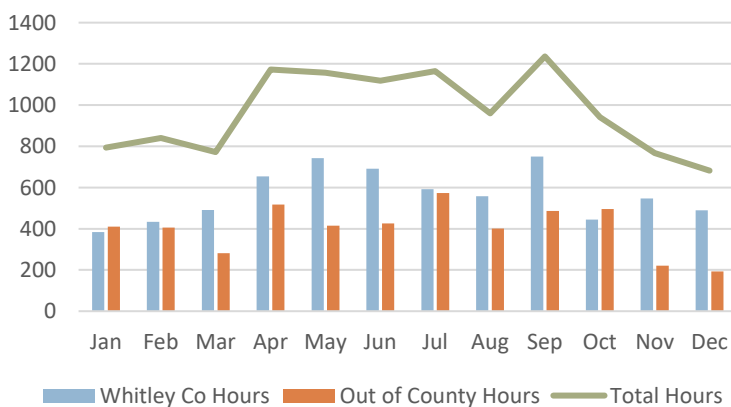

Veterans Treatment Court Population

The Average Daily Population for VTC has increased from **11.10** to **16.29** throughout 2021.

## Community Service

Completed Community Service Hours

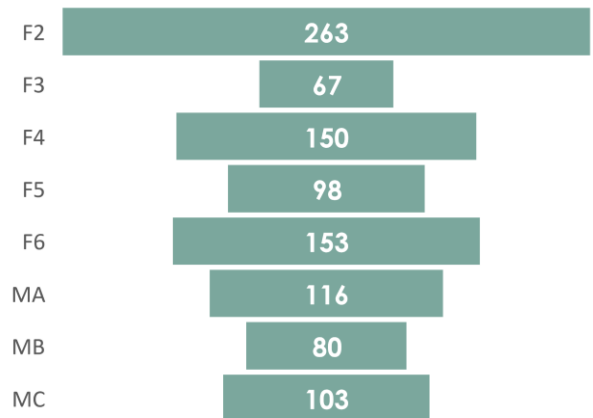

Community Service continues to schedule individuals to work specific days and times in response to COVID-19. In 2021, a total of 11,603.10 hours were logged, with 6777.75 of those hours worked in Whitley County agencies. In total, individuals contributed \$84,122.49 in labor to the communities in northeast Indiana this year.

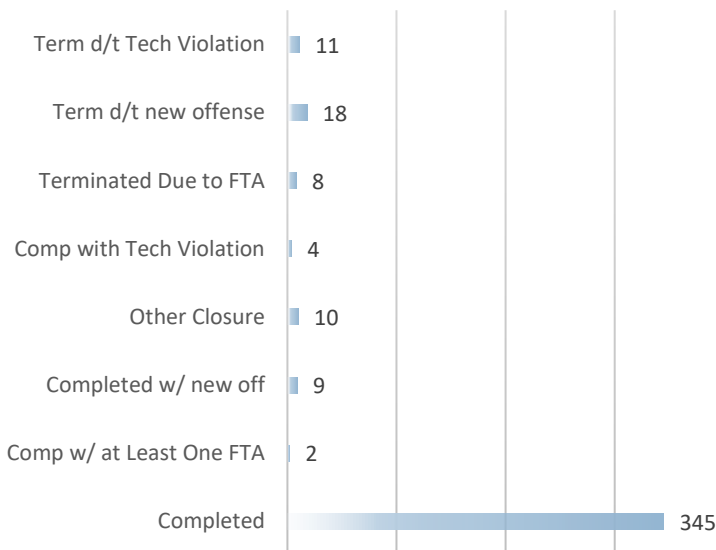

## Pretrial Services

Pretrial Services (PTS) staff work with defendants to maintain appointments and follow through with court orders to promote successful supervision. The team monitored **566** cases in 2021 with a **94.84% appearance rate** (percentage of defendants who complete supervision with no FTAs).

### Length of Supervision (Days by Level of Offense)

### PTS CASE CLOSURES

Defendants are supervised according to risk based on a predetermined matrix with many of the defendants scoring low risk.

Successful completions by risk (345 total):

- High Risk – 5%
- Moderate Risk – 39%
- Low Risk – 56%

Failure to complete by risk (47 total):

- High Risk – 19%
- Moderate Risk – 51%
- Low Risk – 30%

## Evidence Based Programs

PROGRAM	NUMBER OF PARTICIPANTS	FACE TO FACE CONTACTS	TIME	PROGRAM DETAILS
<b>Making Sense of Your Worth</b>	6	42	84 hrs.	An 8-week class was presented by <i>Live. Heal. Grow. Counseling</i> on Positive Self-Worth for 8 women in RWR.
