

## Navigator Services

ASPIN uses certified Navigators dually trained as community health workers (CHWs) to support enrollment in health care coverage; to facilitate outreach events; and provide education to improve health and insurance literacy.

Navigators can help enroll Hoosiers in both Federal Marketplace plans and State Health Care options such as HIP 2.0 anywhere using secure and convenient mobile office technology.

### **ASPIN Health Navigator Program FREE Services include:**

- Enroll individuals in Federal Marketplace plans, Medicaid or HIP 2.0
- Assist enrollees with questions about health plan coverage
- Toll free call center
- Mobile Navigators for enrollments at public locations
- Conduct public education and outreach activities to raise awareness about health insurance
- Provide education on utilizing health insurance benefits
- Assist in updating insurance profiles
- Re-enroll consumers annually in health insurance plans

**Affiliated Service Providers of Indiana (ASPIN)**, a 501(C) 3 not for profit network, operates four major service lines: behavioral health services, professional training and workforce development, grants management, and health improvement. The mission of ASPIN is to provide innovative educational programs, resource management, program development, and network management in collaboration with all healthcare entities to address health disparities and whole health management.
